

Higher and Degree Apprenticeships Additional Funding

Are there any additional funds to support apprentices?

There are several additional payments available to support apprentices. These funds are paid to De Montfort University who pass it down to employers. In the initial eligibility checks for an apprentice, our Higher and Degree Apprenticeship Team will support the apprentice and employer to make sure they receive any additional funding to support their learning needs.

Incentive	Amount	Frequency	Detail
16-18 Year old learners	£1000 per apprentice	Annually, two instalments at 3 months & 12 months	Levy & Non-Levy
19 – 24 year old care leavers	£1000 per apprentice	Annually, two instalments at 3 months and 12 months	Local Authority Education/Heath Care Plan
