

SUMMITTING AN APPLICATION VIA THE DMU APPLICATION SYSTEM

This guide is a step by step process for first time users applying for vacancies using the DMU recruitment system. When using the recruitment system for the first time, you are required to set up a candidate profile before submitting an application.

Step 1: Registering your details

Click [here](#) to access the registration page. This page will appear when you click on to the apply button when viewing adverts on the DMU careers page.

Once you have completed the blank fields on this page, please click on to Register and Apply .

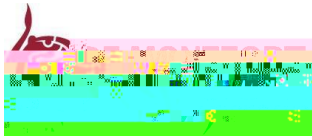

Please Note - The DMU recruitment system will require you to choose a username. To ensure the username is memorable, we recommend you use your email address as your username.

The screenshot shows a registration form titled "Have you already registered with DMU?". It includes a "First Name" field with "Joe" entered and a "Second Name" field. A "User Name" field is highlighted with a red box and contains the email address "DMURECRUITMENT@NOREPLYDMU.AC.UK". Below it, an "E-Mail" field is also highlighted with a red box and contains "dmurecruitment@noreply.dmu.ac.uk". A "Data Privacy Statement" section is visible at the bottom, with a checkbox labeled "Yes, I have read the data privacy statement and I accept it" which is checked. Other red boxes highlight empty input fields for phone number and address.

Step 2: Job Search

Under the Employment Opportunities heading w

Step 4: Search criteria

Click on to the grey square next to the job title and click apply.
